This communication is made under the framework of the LWG Participation Agreement and in the parties' common interests in meeting LWG member obligations under the Administrative Order on Consent and in anticipation of litigation concerning liability for the Portland Harbor Superfund site. This communication is intended and believed by the parties to be part of an ongoing and joint effort to develop and maintain a common legal strategy and contains strategies, work product and legal advice within the "common interest" extension of the attorney-client privilege and the work product doctrine. This communication may include attorney-client communications. With respect to communications by private LWG members to public members, those communications are with the expectation that they will be kept confidential by the public entities. The information is intended to be for the use of the individual or entity named above. If you are not the intended recipient, please be aware that any disclosure, copying, distribution or use of the contents of this information is prohibited. If you have received this electronic transmission in error, please notify us by electronic mail at voster@anchorenv.com.

Valerie, do we have a meeting location and time. I am assuming 1:00 pm but wanted to confirm. I do not know if this is a Schwabe or somewhere else.

Thanks, Eric

Subject: DRAFT Agenda for April 2 Meeting

Hi Valerie, Please send the following message and agenda to the appropriate EPA/DEQ mailing list for the April 2nd meeting.
Thanks! - Christine.

Hi Eric and Chip,
The LWG is currently preparing for the April 2nd meeting and thought it would be useful to provide an early, high-level agenda (below) noting the topics we plan to discuss. Hopefully this preview helps to give your team some time to consider these topics in advance of the meeting. At this time, we don't anticipate providing anything in hard copy for the discussion.

I'm looking forward to the discussion next week. Don't hesitate to contact me with questions/concerns.

Thanks, Christine.

April 2 Meeting Agenda

RI Section 6 (Loading, Fate, and Transport) and RI Section 10 (Site-Wide CSM)

- I. Intro
- II. Verbal review of RI Outline for Section 6 and Section 10
- III. Technical Talking Points
 - A. Atmospheric Deposition (Loading)
 - B. Permitted Wastewater Discharge (Loading)
 - C. Degradation Rates (Modeling; Fate and Transport)
 - D. Analyte Lists for Sections 6 and 10
- IV. Path Forward (anything unresolved)
